

New South Wales Mining

LOCATIONS

MINES

- Metropolitan Mine
- Wambo Open-Cut Mine
- Wambo Underground Mine
- Wilpinjong Mine

DID YOU KNOW?

New South Wales' mines extend from the Hunter Valley coalfields west of Newcastle to the southern coalfields north of Wollongong.

Peabody is the fifth-largest coal producer in Australia. The Australian platform benefits from proximity to higher-growth Asian demand centers.

Peabody has a deep respect for cultural heritage and works closely with local aboriginal communities at a number of Australia mines to protect and restore lands.
